ZERYA

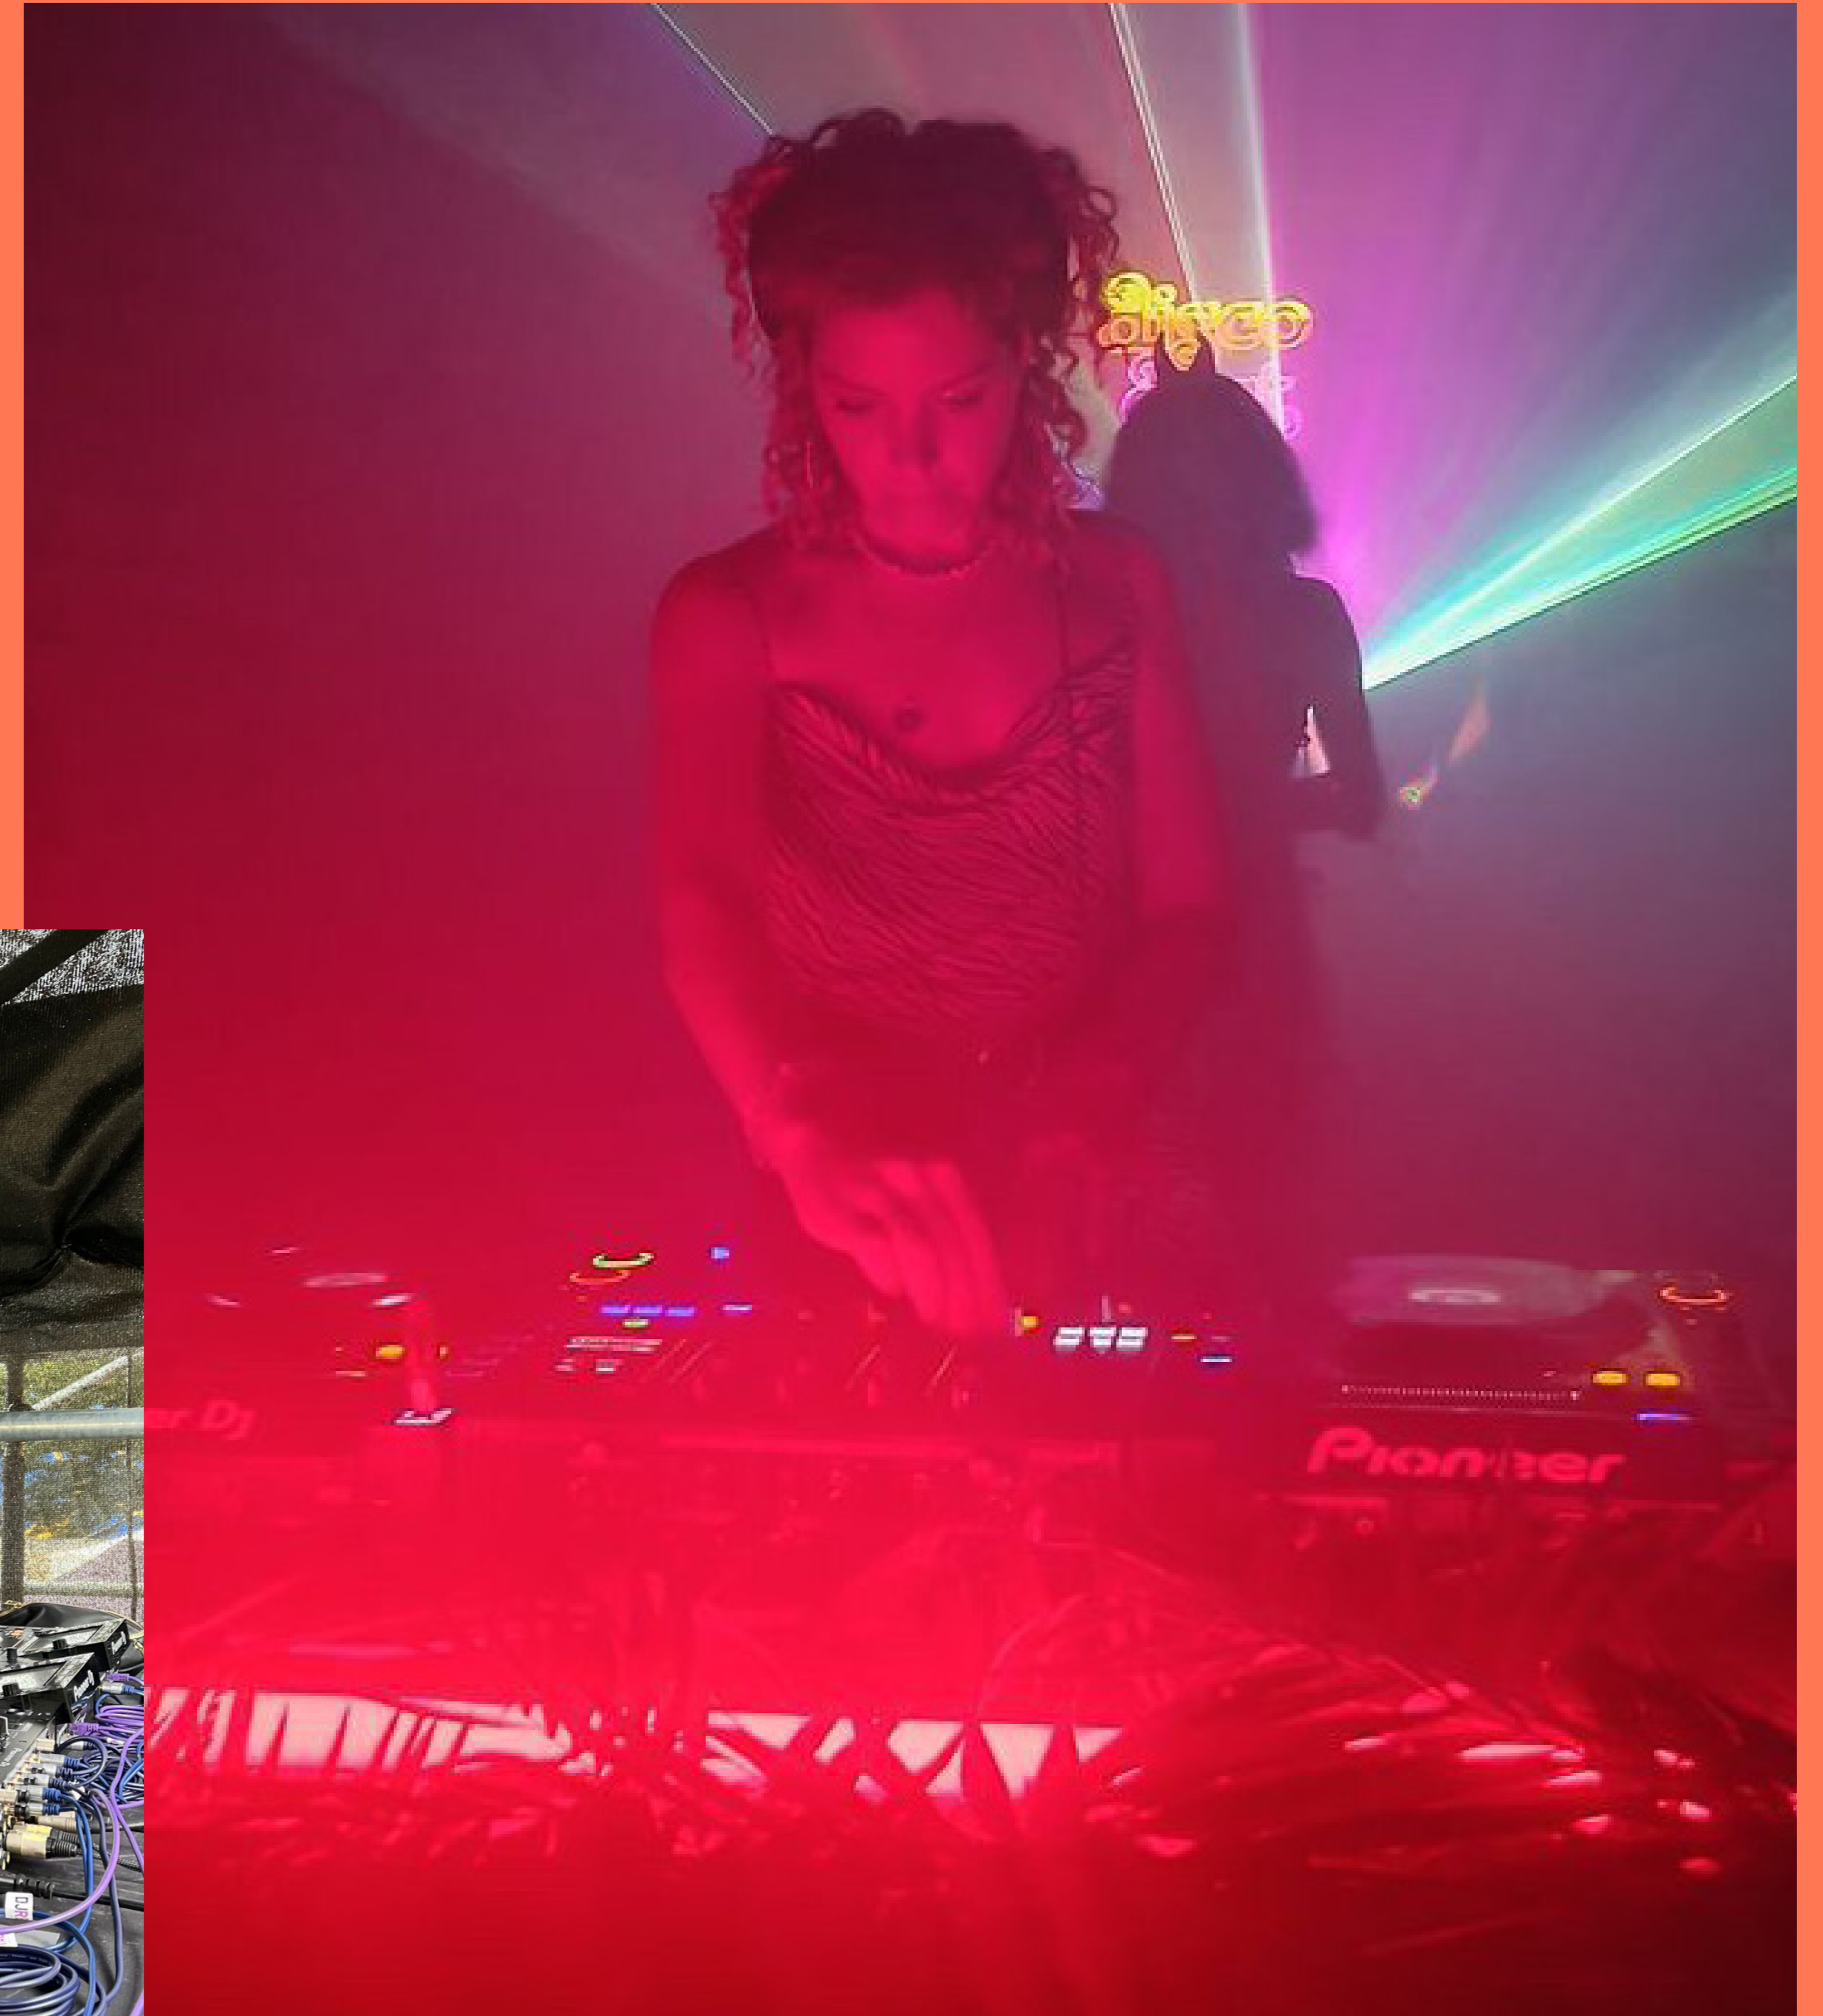

2023

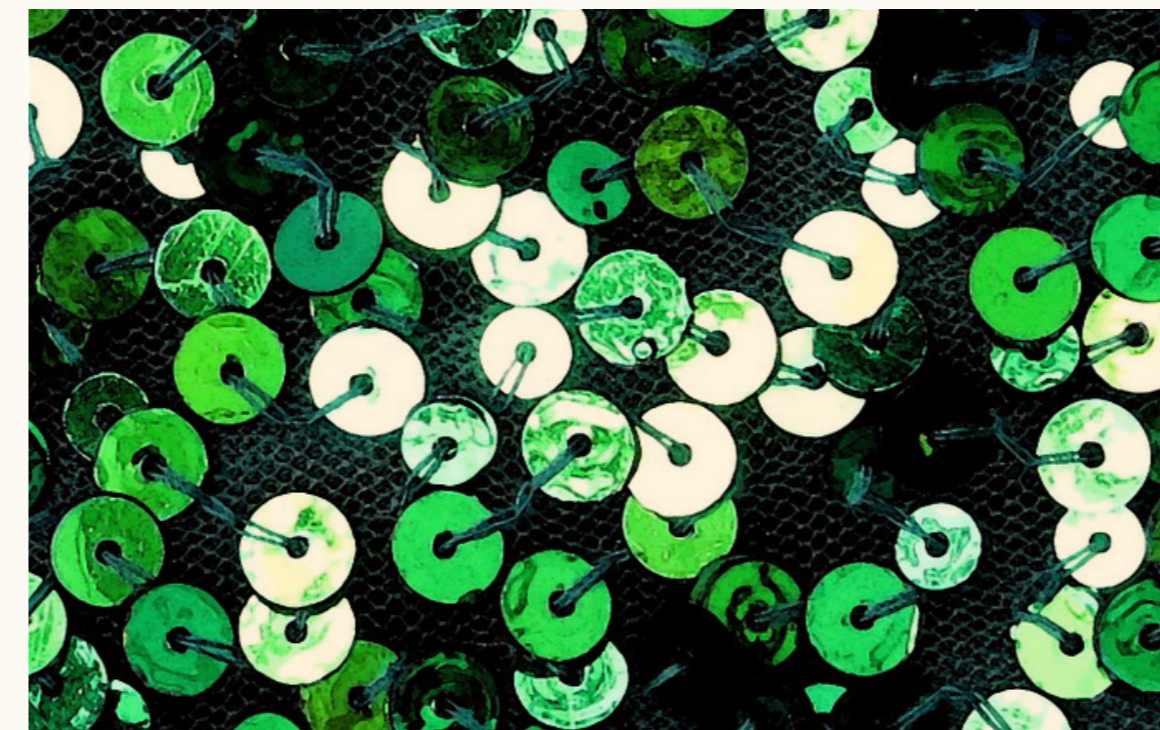

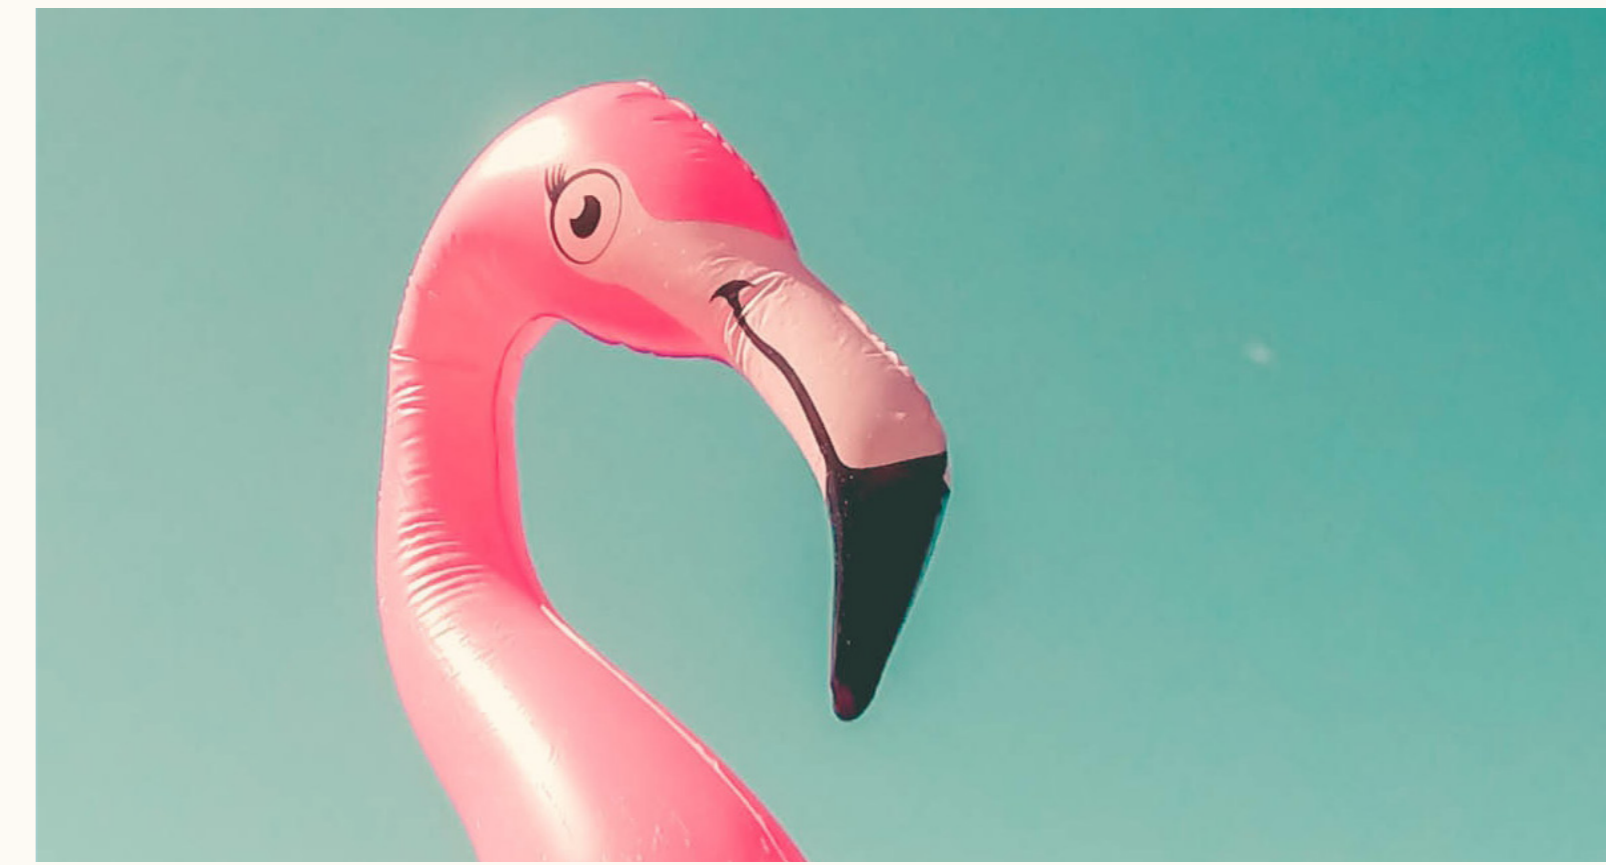

“

Before I was 18 years old, I used to hide in the loos of my favourite club for hours before it opened so I could get in. I guess you could say I've been committed to music all my life.

”

ABOUT ZERYA

Born in Stockholm to Kurdish parents, disco enthusiast Zerya spends half the year on the Oaxacan coast in Mexico and the other half in London. She started DJ-ing in Granada, Spain in 2002 and has been spreading her love for disco behind the decks ever since.

Apart from playing music, Zerya is a TV and Radio journalist and worked for Amnesia Ibiza interviewing DJs. Always a part of the local music scene, she has also hosted her own radio show at NTS in London.

Zerya curates a lively selection of disco and house creating a fun and positive energy. She has shared decks with acts such as Horse Meat Disco, Basement Jaxx, Rudimental, Sophie Ellis Bextor and Faithless.

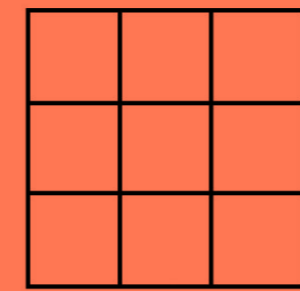

When Zerya is not bringing joy through music on the dance floor, she uses sound to heal with her widely popular gong baths.
